Operation Somebody Cares Reduced Shipping Costs of Tracts and Gospels to the Philippines and to US Military Addresses

We have discounted rates to ship to a US military address.

There is a special rate to the Philippines. It is sent in something called a balikbayan box. It will cost around \$100 US dollars to ship to Manila door to door. The size of the box is 24 inches by 17 inches by 24 inches. We are able to send up to 11,000 tracts in this box. If we send the Gospel of John or Romans instead of tracts, we will be able to send less quantity since they are larger. It takes between two to five months to get there. If you want to order more than 1,500 tracts for the Philippines, it is more economical to send them in a balikbayan box. For more information on the balikbayan box, please see http://en.wikipedia.org/wiki/Balikbayan_box
